1833—64 Years.—1897

Rain or Shine, Hot or Cold,
.....THE SENTINEL.....
has been going to the homes of citizens of Ft. Wayne and Allen County.

The Fort Wayne Sentinel.

THERE IS No Advertising More Productive, More Economical, More far-Reaching, More Desirable, Than that afforded by THE DAILY AND.... WEEKLY SENTINEL.

ESTABLISHED 1833. WEDNESDAY, APRIL 7, 1897. PRICE TWO CENTS.

The April (Easter) number of "Fashions" shows a most artistic cover in delicate colors and designs appropriate to the season. The contents are unusually attractive. The opening article is by Florence Morse Kingsley, the author of that wonderfully popular book "Titus," and is accompanied by a fine portrait. Lovers of Eugene Field's poems will be interested in the "Recollections," by his oldest daughter, Mary French Field, recalling some tender memories of her father. Helen Campbell discusses the vexed question of "Cooperative Kitchens." The noted expert, Carl Snyder, treats of "The Wonderful Curative Powers of Hypnotism." Harriet Prescott Spofford contributes an Easter poem. The fiction of the number is by Viola Roseboro' and Cora Stuart Wheeler. A page of portraits includes the wives of the members of the Cabinet and other social leaders at the National Capital. There is also an exquisite full page picture suitable for framing, entitled "Gratitude," reproduced from a celebrated painting by Joseph Linck.

Among the numerous fashion plates will be found designs for dresses and hats for every occasion, with many suggestions for children's clothing. There is also thoroughly up-to-date information regarding men's fashions for the spring months. The "Paris Letter" is full of hints for women who would be elegantly gowned. Suits from Paquin and Redfern and hats from Virot and Carlier are pictured.

Lina Beard tells how to make at home many dainty Easter gifts; and there is the usual space devoted to household science, interior decoration, games, etc. Call and get a copy. The numbers for a year will make a beautiful volume.

Geo. Dewald & Co.

IF YOU WANT

$10, $20, $30, $50, $100,

We are prepared to loan it to you on your furniture, piano, horses, wagons or other personal property.

Everything left in your possession and you can pay it off in weekly or monthly installments. If you have a loan and are paying a large rate of interest, call on us and we will pay it off and save you money. All business private and confidential.

INDIANA MORTGAGE LOAN CO.,

36 Calhoun St., Rooms 5 & 6.

First flight of stairs on west side of street, north of transfer corner.

Some Very Tony Family

Ought to buy that new and novel Buffet Sideboard in our Court St. show window.

They would have one of the most artistic pieces of furniture in the city and unlike what anybody else has.

Run over on to Court street and see it and the score of other pretty odd pieces in our show windows.

Foster Furniture Co.

YOUR TEETH....

Should have just as good care as you give to any other part of the body. Without good teeth how can you enjoy good health. Without good health how can you enjoy life. Almost always dyspepsia, indigestion, headache, neuralgia, bad breath and bad taste in the mouth are caused by decayed teeth, and can be cured by having the teeth fixed up, or if they are decayed very bad you can have them extracted without pain and replaced by a good set of artificial teeth, thereby enabling you to masticate your food properly, restores your health and gives you a new lease on life.

Have your teeth fixed and save doctor's bills. We will examine your teeth free of charge and tell you what is best to have done. Teeth that are often considered to be too bad to fill can be crowned and made to do service for years.

Our prices for all kinds of dental work are very reasonable and our work is guaranteed to be first-class. We use none but the best materials. Gold Crowns, Porcelain Crowns, removable or stationary bridges inserted—they are the next thing to your own teeth. We are the only persons in the city who use Vitalized Air for extracting teeth. It is harmless, anyone can take it, and you do not feel the teeth being extracted. BEST SET OF TEETH ONLY [illegible].

U. S. DENTAL PARLORS,

Removed from No. 9 E. Wayne St. to (over Baldwin's music store.) 96 Calhoun St.

WAS A WATERLOO!

The Democratic Victory at Chicago.

Carter H. Harrison Elected Mayor of the City

By a Plurality Over All the Other Candidates of 11,184—The Entire Democratic Ticket Elected.

CHICAGO, April 7.—The mayoralty election yesterday resulted in a decisive victory for the democratic party, its candidate, Carter Harrison, having more votes than all the other candidates combined.

The mayoralty vote complete is as follows: Carter H. Harrison, democrat, 144,828; J. M. Harlan, independent, 67,072; N. C. Sears, republican, 57,566; W. Hesing, business administration, 15,116; John Glambeck, social labor, 1,220; H. L. Parmlee, populist, 862; J. I. Peirce, jr., independent, 788; F. Howard Collier, independent, 88. Total, 287,434. Harrison's plurality, 77,656. Harrison's majority over all, 2,222.

Complete returns from all the wards show the election of twenty three democratic aldermen, six republicans and five independents. As a result the democrats will have a majority of eight over all in the next council. The Municipal Voters' league, formed two years ago for the express purpose of improving the city council, succeeding in electing only seven of the twenty-one endorsed candidates.

The man whose defeat was most desired by the league, Alderman "Jim" Campbell, of the Twelfth ward, and a leader of the council gang, was up for re-election, and was overwhelmingly defeated. Lane, the league candidate, did not win out, but received sufficient support to cause the election of Joseph R. Francis, democrat, the first time a democrat has ever represented the Twelfth ward.

The democratic city ticket was led by Harrison, some of the other democratic candidates running more than 12,000 votes behind.

According to the Record, the vote for the democratic ticket was increased through republican strength thrown by republican machine politicians, such as Congressman Lorimore, State Treasurer Hertz and Sheriff Pease, who in the final round up feared the election of Harlan, the independent mayoralty candidate. The democrats were also aided effectively by ex-machine politicians who quietly separated from their regular organization after the recent bitter contest for the United States senatorship. The strongholds of Martin B. Madden who was defeated in the republican caucus for senator went for Harrison for mayor, although heretofore heavily republican.

One consequence of the overwhelming democratic victory will probably be the formation of a new civic party, which will place candidates in the field for local elections and which will not recognize national issues or national parties in the campaign. The first step in this direction was taken last night, when some 1,200 Harlan supporters left their names at the Harlan headquarters to form the nucleus of the new municipal party:

In speaking of his victory Mayor-elect Harrison said:

"There is no danger that the city will be handed over to two years of vice and debauchery. I will also promise there will be nothing of which is characterized as 'wide open days.' I do not recognize the necessity of public gambling in Chicago, but I believe largely in the German idea of personal liberty. It draws a sharp line between liberty and license. I shall enter upon the duties of this office wholly unhampered by pledges of any kind. My purpose is to give the city a conservative business administration. I shall not be dictated to by any man, or league, or any association, and, so long as I occupy the chair, no one will be mayor but Carter H. Harrison."

Mayor-elect Harrison has received the following telegram from Washington: "Accept congratulations upon your magnificent victory. The elections in Chicago, Cincinnati, Detroit, and other cities indicate a decided change in public sentiment since November. Signed, W. J. Bryan."

AH THERE, CARNEGIE

The Illinois Steel Company is After Your Job.

The Inspection Committee Has Completed Its Task and Will Submit Its Report Tomorrow.

WASHINGTON, April 7.—Captain Sampson, chief of the naval ordinance bureau, is preparing for the use of Secretary Long a synoptical sketch of the visit of inspection just made by him of the five plants of the Illinois Steel company in Illinois and Wisconsin. Tomorrow is set as the date for opening proposals for supplying the navy with about 6,000 tons of armor for the new battleships, and as a result of the legislation of congress upon this subject, the outcome is awaited with great interest by the entire iron industry of the country, as is evidenced by the number of inquiries that are coming daily to the department from all quarters. The general opinion of the officials of the navy department is that no bids will be secured from any of the established armor plants for supplying this armor, within the limit of $300 per ton fixed by congress. It is expected, however, that the Illinois company will bid within this figure, and in order to ascertain the capabilities of the Illinois company Capt. Sampson made a trip to the west, and his conclusions will be laid before the secretary in advance of the opening of the bids tomorrow.

ALMOST NINETY.

Death of the Venerable Citizen, Frederick Brown.

Miss Margaret Carll, a Sociable Young Lady, Succumbs to Lung Trouble—Funeral of Mr. Stanley.

Miss Margaret Carll, a daughter of Mrs. Margaret Carll, of 35 Walnut street, died early this morning of lung trouble after a long illness. Deceased had a lovable disposition and bore her suffering with great fortitude. She always made her home here and had a large circle of friends who will mourn her loss. John and Nellie Carll are brother and sister to the deceased.

Blanche, the four-year-old daughter of W. S. Bingle, died of diphtheria last night.

Frederick Brown, of 94 Richardson avenue, who had attained the advanced age of eighty-nine years, three months and six days, died on Tuesday afternoon of old age. The deceased was for many years a resident of this county, and of late years made his home with his son-in-law, John Kohlbach. The funeral will be held tomorrow afternoon at 2 o'clock from Emanuel's Lutheran church.

The funeral of Chauncey Stanley will take place on Friday afternoon at 2 o'clock from the residence, 45 Miner street.

Mrs. Thomas Larrabee, who resides at the corner of Lewis and Barr streets, received the news last evening of the death in New York city of her daughter, Mary Larrabee Lyman, wife of Burke W. Lyman, the well known stereotyper, who formerly held positions in this city. The deceased was thirty-six years old and leaves besides her husband three small children. Mrs. Lyman's death occurred at 2:40 o'clock a. m. yesterday. No further particulars are known here. The remains will be brought here for burial. Mrs. Lyman was a member of Westminster church, this city.

GOT SCARED

And Declared the Strike Off Today.

Too Many Men Out of Work to Make Victory Possible, Hence the Retreat.

PITTSBURG, Pa., April 7.—Seventeen of the twenty-eight puddling furnaces at A. M. Byers & Co.'s rolling mill, which have been closed down by a strike of the puddlers against a reduction of fifty cents per ton in the puddling rate, were started this morning with non-union men. A large crowd of strikers collected about the mills but beyond jeering the new workmen when they entered, there was no attempt at interference. Oliver Bros.' plant, where a reduction was also made is still closed down.

Later in the day the demands for places became so great that the strikers were frightened and declared the strike off at both mills. The old men will be taken back and work resumed in full tomorrow at the reduction. President Garland, of the Amalgamated association, says that by reducing the rate to $4.00 per ton, Byers & Co. violated their contract and under the rules of the organization the men can institute suits against the firm for damages.

LOCAL LINES.

Herbert, the nine-months-old son of Mr. and Mrs. O. Smeeners, is very sick with the grip.

Dr. A. J. Boswell left Wednesday morning for Grant county to operate upon his nephew for appendicitis.

The Ladies' Drawing circle of Bethel church will meet with Mrs. Will Schoch tomorrow afternoon.

Miss Maggie Geerdes entertained a few of her friends last evening in honor of her guest, William Miller, of New York.

The ladies of Plymouth Congregational church will meet with Mrs. Pixley at her home, 90 West Wayne street, Friday afternoon.

T. H. Coleman and wife, of 76 John street, were very pleasantly entertained last Sunday at the home of Conductor D. Matthews and wife, at Grand Rapids, Mich.

Mrs. T. H. Coleman, while in Grand Rapids last Sunday, enjoyed the pleasure of paying a brief visit to her father, Alex Harriott, whom she had not seen for nearly five years.

At noon today Rev. J. V. Updike united in marriage H. Lewis Plumadore, of Land, Ind., and Ada Belle Swan, of Saturn, Ind. The groom is a school teacher at Land, and they will reside there.

G. A. Harriott, of Grand Rapids, will be in the city soon to visit his sisters, Mesdames Olinger and Coleman, and from here he expects to go to Wellsville, Ohio, to visit another sister, Mrs. Kittie Byinskie, who was a former citizen of this city.

ARE BENT ON WAR!

Unless All the Demands of Greece

Are Acceded to by European Powers.

Such Was the Temper of the Greeks as Shown by the Demonstrations at Their Celebrations.

ATHENS, April 7.—Throughout yesterday evening the palaces of King George and Crown Prince Constantine were blazing with lights and the city generally was a mass of illumination in celebration of the anniversary of the declaration of Greek independence in 1821. Displays of fireworks were numerous and in all parts of Athens there were patriotic assemblages, at which warlike orations were delivered. The speakers were greeted with cheers for the king and for war.

During the evening there was a grand military tattoo, in which all the bands in the city at their full strength took part. The whole population thronged the streets, cheering everybody and everything with enthusiasm, and at 7 o'clock this morning the crowds were still parading, singing patriotic songs and cheering for war with the Turks. But, in spite of this probably unprecedented demonstration of loyalty and patriotism, there were no disturbances worth noting. The utmost good humor prevailed and the duties of the police consisted mainly in attempting to restrain the patriotic ardor of the dense masses of people who pressed around the palaces.

The square in front of the king's palace was packed with people until a late hour, all clamoring to see his majesty and shouting for war.

During the day nine civilians and two policemen were injured in accidents arising from the crushes which continued all day. General Coronoes, a retired military man and a life long agitator, led the biggest crowd which marched to the king's palace yesterday afternoon. It is evident from the excitement which prevailed that the people are bent on war at any cost, unless all the demands of Greece are acceded to by the powers.

The cabinet ministers assembled last evening and were engaged until a late hour in discussing the identical notes which each of the representatives of the powers handed yesterday to M. Skouzes, the Greek minister for foreign affairs. It is believed that M. Skouzes will deliver the reply of Greece to the representatives of the powers today.

In the meanwhile it is rumored here that Russia has, in addition, made a separate proposal to the effect that if Greece will consent to withdraw her troops from the island of Crete, Russia will agree to obtain from Turkey the withdrawal of the Turkish troops from Crete so soon as the Greek evacuation is completed, and that Russia will further promise that Prince George of Greece shall be sent, as a Greek prince, to organize the Cretan gendarmerie. Greece, according to report, promptly rejected these propositions.

There was intense excitement yesterday at Larnaca, Island of Cyprus, where the Greek independence day was duly celebrated by the Greeks and others. In the evening there was a torchlight procession to the Greek consulate and speeches in favor of the union of the Islands of Crete and Cyprus to Greece were delivered. The Turks were greatly irritated at this pro-Greek demonstration and a conflict between the processionists and the Mussulmans was with difficulty averted. At Elassona, the Turkish headquarters in Macedonia, the troops were kept under arms from long before sunrise. The greatest tension prevailed during the morning, but this feeling gradually wore off as the hours passed without any aggressive movement upon the part of the Greeks.

Both sides are continuing their war preparations, erecting earthworks and other defenses and strengthening their positions in the passes.

The demand made by Admiral Canevaro, the Italian officer in command of the international fleet in Cretan waters, to be relieved of his command, is said here to be due to his opposition of the plans drawn up for the blockade of the Piraeus.

It is believed that some decided change in the political situation must take place before long, as the Turkish government has plainly intimated to the representatives of the powers that the existing conditions cannot be allowed to prevail much longer. Every day of delay now benefits Greece, which country was not so well prepared as Turkey for war. The German officers on the staff of Edhel Pasha, the Turkish commander-in-chief, are not blind to this fact, and are understood to have made strong representations on the subject. However, the powers interested in preserving peace are still working steadily in that direction and all kinds of pressure is being brought to bear upon both Turkey and Greece in order to prevent a clash of arms on the frontier.

In view of the possibility of a blockade of the Piraeus and other Greek ports the work of sending war material, ammunition and stores has been so actively pushed day and night since the threaten was first made, that very little now remains to be shipped to the front, so that the ostensible object of the blockade cannot be attained. For months past the arms and ammunition have been arriving here and elsewhere from different foreign countries, and all such consignments have since been sent where they were most required.

POSTMASTERS.

A Few Plums Dropped From McKinley's Hands.

Lavorgne B. Stevens Appointed to the Office at Bluffton—Other News From the Capitol.

WASHINGTON, April 7.—The president today sent to the senate the following nominations:

To be Attorneys of the United States—Thos. H. Barnes, for the western district of Arkansas; Pliny L. Sopher, for the northern district in the Indian Territory.

Postmasters in Indiana—Lavorgne B. Stevens, Bluffton; Ellis G. Darnell, Lebanon; William G. Silver, Pendleton.

Mr. Simpson, populist, of Kansas, created a scene in the house today by denouncing Speaker Reed for his failure to appoint committees and announcing that he would oppose all attempts to legislate by consent until the house was organized. Speaker Reed replied that the house had control of the speaker. Reasonable time has always been allowed the speaker for estimating the new members. He had consulted with members and had supposed, until today, that the feeling of the house was that committees should not yet be appointed.

A 1:20 p. m. the Cuban resolution introduced by Mr. Morgan was taken up in the senate without objections and Mr. Morgan resumed his speech.

The senate committee on the Interstate Commerce met today for the purpose, if possible, of mapping out a policy in regard to railroad legislation during the present congress. No result was accomplished beyond agreeing to the appointment by the chairman of a sub-committee to determine upon the advisability of granting hearings on bills before the committee. There was more or less reference to the pooling bill, and also the anti-scalping bill, but some members of the committee, including Senators Chandler and Chilton, manifested unrelenting opposition to both bills.

Mr. Chandler gave notice that he would not agree to action upon either of the bills until the vacancy in the committee caused by the retirement of Senator Brice should be filled. He said, however, that he would not object to any preparation for legislation such as could be made by the granting of hearings to persons interested in either of the bills. There was also more or less discussion of the policy of the senate in regard to general legislation at the present session. Several senators expressed the opinion that there would be no serious effort at any general legislation except on the tariff. Senator Cullom will appoint a sub-committee which will decide only upon the questions of hearings.

AWAY DOWN.

Wheat Prices Take a Mighty Tumble.

Cash Bids Reach the Low Figure of 65c, and September Options Go One Point Lower.

CHICAGO, April 7.—The downward movement which has prevailed in the wheat pit for the past three or four weeks culminated today in a drop of 3⅜ cents in the May option, which closed at 65¾, and a 3 cents loss in July, which closed at 65⅞. The close was within ¼ cent of the lowest prices of the day. The bottom had apparently dropped out of the market.

CHICAGO, April 7.—Wheat—April, 65¢; May, 66¼¢; July, 65¾¢; Sept., 64⅞¢.

Corn—April, 22¼@23¢; May, 23¼@⅜¢; July, 24¼@⅜¢; Sept., 25⅞@27¢.

Oats—April, 15⅞¢; May, 16¼@⅜¢; July, 17⅝¢; Sept., 18⅜¢.

Pork — April, $8.02½; May, $8.07½; July, $8.15.

Lard—April, $4.06; May, $4.05@7½; July, $4.15; Sept., $4.27½.

Ribs — April and May, $4.42½; July, $4.45.

ZEIGENHEIN WON.

Boss Filley's Candidate is Elected Mayor of St. Louis.

ST. LOUIS, Mo., April 7.—The republican ticket from mayor down, with the exception of five or six councilmen, was elected yesterday by majorities ranging from 5,000 to 10,000 votes. The election was quiet, but a hard-fought one. There were three candidates for mayor, the republicans solidifying their strength on one man, and the democrats dissipating theirs between two men, the result of an irreparable split in their nominating convention.

The Saturday club meets with Mrs. C. T. Lane; subject, Figure painting; School of Cabinel and Bouguereau, Mrs. Zollars; The Prince of French Illustrators and His Influence, Mrs. Taylor; The Women of the French Salons, Mrs. Boggs.

J. D. Williams, expert accountant, corporation lawyer and promoter, 22 East Columbia St. Telephone 289.

HIS MESSAGE.

President McKinley's Address to Both Houses.

Describes the Deplorable Situation in the Flooded Districts and Recommends Government Aid.

WASHINGTON, April 7.—The president today sent the following message to the senate and house of representatives in regard to the distress and loss of property resulting from the floods:

"Information which has recently come to me from the governors of Arkansas, Mississippi and Louisiana and from prominent citizens of those states and Tennessee, warrants the conclusion that widespread distress, involving the destruction of a large amount of property and loss of human life, has resulted from the floods which have submerged that section of the country.

"These are stated, on reliable authority, to be the most destructive floods that ever devastated the Mississippi valley, the water being much higher than the highest stage it has reached before. From Marion, Ark., north of Memphis, to Greenville, Miss., a distance of more than 250 miles along the river, it is reported there are now at least fifty towns and villages under water, and a territory extending from 100 miles north of Memphis to 200 miles south and from five to forty miles wide, is submerged. Hundreds of thousands of acres of cultivated soil with growing crops are included in the submerged territory. In this section alone there are from 50,000 to 60,000 people whose property has been destroyed and whose business has been suspended. Growing crops have been ruined, thousands of cattle been drowned, and the inhabitants of certain areas brought to threatened starvation.

"As a great majority of the sufferers are small farmers, they have thus been left entirely destitute and will be unprepared for work, even after the floods have subsided. The entire Mississippi valley in Arkansas is flooded and communication with many points cut off. In Mississippi a like condition exists. The levees in Louisiana, with a single exception, have held; but the water is rising and the situation there is reported as being extremely critical.

"Under such circumstances the citizens of those states look for the cooperation and support of the national government in relieving the pressing cases of destitution for food, clothing and shelter which are beyond the reach of local efforts. The authorities who have communicated with the executive recognize that their first and most energetic duty is to provide as far as possible the means of caring for their own citizens, but nearly all of them agree in the opinion that after their resources have been exhausted, a sum aggregating at least $150,000 and possibly $200,000 will be required for immediate use.

"Precedents are not wanting that in such emergencies as this congress has taken prompt, generous and intelligent action, involving the expenditure of considerable sums of money with satisfactory results. In 1863 $59,000 was appropriated and in 1882, $350,000 was also appropriated for relief in the same direction, beside large sums in other years.

"The Citizens' Relief committee of Memphis which has taken prompt action has already cared for from 6,000 to 7,000 refugees from the flooded district and they are still arriving in that city in large numbers daily. Supplies and provisions have been sent to the various points in Arkansas and Mississippi by this committee; but the utmost that can be done by these efforts is to partly relieve the most acute cases of suffering. No action has yet been taken for the great majority of the inhabitants living in the interior whose condition has already been described.

"Under these conditions and having exerted themselves to the fullest extent, the local authorities have reluctantly confessed their inability to further cope with this distressing situation unaided by any relief from the government.

"It has, therefore, seemed to me that the representatives of the people should be promptly informed of the nature and extent of the suffering and needs of these stricken people, and I have communicated these facts in the hope and belief that the legislative branch of the government will promptly re-enforce the work of the local authorities in the states named.

[Signed] "WM MCKINLEY.
"Executive Mansion, April 7, 1897."

Senator Jones, of Arkansas, offered a resolution appropriating money for supplies to the Mississippi river sufferers and it passed. Subsequently the house passed the same resolution specifying the amount and the matter is now in the hands of the president for his signature. The resolution read as follows:

"Resolved, That the sum of $200,000 is hereby appropriated out of any money in the treasury not otherwise appropriated, to be expended by and under the direction of the secretary of war in the purchase and distribution of subsistence stores to such destitute persons as may require assistance in the district overflowed by the Mississippi river and its tributaries, and by the Red river of the north, by the recent floods. And the secretary of war is authorized to use the steamers and other boats and vessels belonging to or now employed by the government upon the Mississippi river and its tributaries in the transportation and distribution of supplies furnished by the United States or individuals, to and among said destitute and suffering people, and he may employ such other means of transportation as he may deem necessary to carry the purpose of this joint resolution into effect."

THE PRESIDENT SIGNS IT.

2 P. M.—The president signed the resolution for the relief of the flood sufferers at 1:55 p. m. today. He also authorized the secretary of the navy to secure a ship for the transportation of grain to the famine sufferers in India. Soon afterward the presidential party drove to the wharf and embarked on the Dolphin for a few days' outing. The party comprised President and Mrs. McKinley, Mrs. Saxton, Dr. Bates, the naval surgeon, and Secretary Porter and wife.

CAN'T UNDERSTAND.

Court Witnesses Puzzle Even the Stenographer in the Case.

A Party of Nebraska Movers Arrested for Stealing Chickens From Solomon Rell.

Some time ago Carl Skattulla left a $280 note with Christian F. Boelun for collection and told him at the time that he would be willing to take $200 for it. Boelun was unable to collect the note without suit and this course he pursued by getting a judgment in his own name in the circuit court for $280. Skattulla thought the suit should have been in his name and hence he instituted an action to set aside the judgment, on account of fraud. This case was tried this morning before Judge O'Rourke, who, after hearing the testimony, vacated the judgment which had heretofore been rendered and left Skattulla in possession of the note.

The amusing feature of the trial was the testimony of the parties, Skattulla and Boelun, which was given in such broken English that it could hardly be understood. T. J. Logan, the court stenographer, was taking a short hand report of the evidence, or at least attempting to do so, and he "got stuck" repeatedly on some of the words and expressions used by the plaintiff and defendant. They could not be understood by either the judge or the attorneys and their meaning could only be conjectured. Stenographer Logan, in speaking of the evidence, said "it was a mixture of Scandinavian and Norwegian, with considerable Italian thrown in." The attorneys in the case were A. H. Bittenger and W. E. Clapham for the plaintiff and Judge S. M. Hench for the defendant.

CHICKEN THIEVES ARRESTED.

On Monday night Solomon Rell, of Perry township, had fifteen chickens stolen from his premises and this morning he came to the city and had affidavits sworn out against Ernest Hildebrand, James, Samuel and Joseph Weston and Mr. and Mrs. William Weston charging them with the larceny. They constitute a party of Nebraska movers who are on their road to southern Indiana and Sheriff Melching and Superintendent Gorsline arrested them four miles from the city on the Coldwater road. They are having a hearing this afternoon before Justice Bullerman. The chickens stolen were sold to Richard Weller, of Lakeside, and he turned them over to the sheriff.

SAME OLD STORY.

Kentucky Still Halting Between Two Opinions.

Hunter or Some Other Man for United States Senatorship the Perplexing Question.

FRANKFORT, Ky., April 7.—When the joint legislative session was called to order by President Worthington today, the gold and silver democrats and bolting republicans failed to answer to their names, thus breaking a quorum. The roll call showed sixty-one present, but a ballot was ordered, the republicans, as usual, voted for Hunter, who received sixty. No other votes were cast, and President Worthington announced no quorum and no election. On motion of Senator Clarke, one of the bolting republicans, the assembly adjourned, after being in session just seven minutes.

FOUND DEAD.

W. H. Gage and Wife Commit Suicide at Chicago.

CHICAGO, April 7.—W. H. Gage and his wife were found dead in bed today at 253 Southwestern avenue. From a note found in the room, addressed to the coroner, it was evident that it was a case of suicide. Gage was a machinist.

Overcome By Gas.

COLORADO SPRINGS, Col., April 7.—Seven men were overcome by smoke and gas at the Stekeler tunnel, on the west slope of Pikes Peak, and two are dead, while the others are in a critical condition. The dead are George Gordon and Mike Lenw. Both are single.

Little Susie Knight, of 30 Smith street, who has been suffering quite severely with an attack of bronchitis, is convalescing.

HIMMEL'S DILEMMA.

A German Who Would Not Take an Officer's Kind Advice.

It Develops That He Was the Companion of a Supposed Crook, and He is Now in Jail, Awaiting Investigation.

One of the prisoners at police court this morning was a German giving the name of S. Himmel, a young man who pretended in court that he could not speak or understand the English language. Officer Nirely made the arrest in the Pennsylvania company's yards, where the offender was loitering with the evident purpose of catching an outgoing train. Acting Mayor Huser was inclined at first to let the follow go, but when Officer Somers testified that Himmel had been warned off of the company's grounds twice, he changed his mind and sent him over. Somers says that a few days ago he saw Himmel with a companion who looked to be the worst kind of a tough, and upon searching the man he found jewelry on his person, indicating that robbery had been committed. Strangely enough, the officer did not arrest the suspicious character.

Two other train jumpers were arrested by the Pennsylvania detectives, but they were released.

Acting Mayor Huser fined James McCormick $1 and costs for removing a diphtheria card from his premises without authority.

DOCTORS MEET.

Annual Meeting of the Allen County Medical Society.

Officers Elected for the Ensuing Year and Delegates Chosen for State and National Associations.

The Allen County Medical society, at the regular meeting last evening, elected the following officers: President, Dr. A. P. Buchman; secretary, Dr. E. E. Morgan; treasurer, Dr. S. H. Havice; censors, E. J. McOscar, A. E. Bulson, jr., and N. L. Deming.

Delegates were selected for the State Medical society convention to be held at Terre Haute in May, as follows: G. C. Stemen, A. E. Bulson, B. Von Sweringen, S. H. Havice, L. P. Drayer, E. J. McOscar, G. L. Greenawalt, K. K. Wheelock, M. Rosenthal.

Delegates to the meeting of the American Medical society to be held at Philadelphia, were chosen as follows: W. H. Myers, A. E. Bulson, C. B. Stemen, G. L. Greenawalt and M. Rosenthal.

MORNING BLAZE.

Barn of Oliver Lehman Totally Destroyed by Fire.

Almost All of the Family's Clothing Destroyed—Quick Run by the South-side Fire Department.

At 6:30 o'clock this morning a barn on the premises of Oliver Lehman, on South Hoagland avenue, was discovered to be in flames, and before the fire department could be summoned the structure, with its contents, was doomed. Mrs. Lehman had taken all the family washing to the barn and was preparing to proceed with the task when the flames bursted from a partition and quickly gained ground. The barn was used as a store house and contained many household effects, which, with clothing belonging to different members of the family, went up in smoke. The fire department made a quick run to the scene, but the alarm was sent in too late to save the building. Mr. Lehman had no insurance on the structure.

PUSHING THE WORK.

What Mr. Hart is Doing for Allen County Sunday Schools.

District Meetings to be Held Next Month—A New School Started in Lake Township.

B. W. Hart, superintendent of the Allen County Sunday School association, has returned from Lake township, where he organized a new Sunday school to meet regularly at the Butte school house. It starts out in a very promising manner, with Joseph Demona as its superintendent.

Allen county now has 136 Sunday schools. Next month conventions will be held in different parts of the county at the following places and on the dates mentioned: Williamsport, 8th and 9th; Nine Mile, 15th and 16th; Perry township, 21st and 22nd; Maples, 28th; Madison township, last of the month. These meetings will be of considerable interest and will result in an increased membership all over the county.

WILL LIFT ITS DEBT.

Important Meeting Held Tonight at Plymouth Church.

A meeting of special importance to every member of Plymouth church and congregation will be held in the lecture room this evening at 7:30. It is probable that the Congregational Church Building society, with headquarters at New York City, may make a very substantial donation toward liquidating the debt of Plymouth church, provided the members of the church will co-operate and provide for the balance. This offer comes, as Dr. Cobb, of New York, says, "in recognition of the heroic and successful work that has been done by the pastor and people of Plymouth church in the last six years," and it is thought the conditions of the offer will be accepted.

SMALL BOY AND AXE.

Five-Year-Old Henry Briggemann Plays George Washington

Axe Was Too Big and It Fell Upon the Hand of His Brother, Who is Minus a Finger—Mrs. Pool's Eye Injured.

Last evening two little sons of William Briggemann, residing at the corner of East Creighton avenue and Gay street, were playing in the dooryard of their home, when one of them received an injury that resulted in the loss of a finger. Five-year-old Henry had in his hand a good sized axe, which required serious effort for him to lift. The tool slipped from his grasp, falling upon the hand of his seven-year-old brother, Freddie, and almost severed the fourth finger. Dr. Kesler found it necessary to amputate the digit at the second joint.

EYE INJURED.

Mrs. Charles Pool, of 50 John street, had the misfortune to injure her eyesight quite badly by a piece of glass breaking off of a jelly jar and becoming imbedded in the eyeball.

PLANT BURNED

And Bellefonte, Pa., is Without Light.

The Fire Supposed to Have Been the Work of an Incendiary.

The electric lighting station at Bellefonte, Pa., the machinery and apparatus for which were constructed and installed by the Fort Wayne Electric corporation, was entirely consumed by fire at an early hour this morning. This plant was owned by the Electric Illuminating company, of that city. The loss is estimated at $35,000. Inasmuch as the entire equipment of the works was destroyed, the Fort Wayne company will probably secure the contract to replace it.

HIS VIEW OF IT!

Dr. Myers Discusses the Source of Our Water Supply.

Wells Are to be Viewed With Suspicion—No Sanitary Objection to River Water.

Dr. W. H. Myers, who has given the subject careful consideration, and who, by reason of his learning and professional ability, is qualified to speak with authority, discusses the question of the source of our city water supply in an able article in this morning's Journal. He reviews the subject at length, examines carefully the views and opinions of scientists and the tests made in various cities. Dr. Myers says:

"Where shall we look for a proper water supply? My reply is, running water is almost always safe. It possesses a surpassing power of self-purification."

His opinions in regard to river water and well water as a source of supply are summed up in the following closing paragraph of his article:

"In conclusion, I would say that from the facts which I have presented it is evident that wells are always to be viewed with suspicion as sources of water supply, on account of the danger of contamination from the drainage of the soil about dwellings, and of the leakage from drains, cesspools and privy vaults. Tube or driven wells are little better than open wells. The water of artesian wells is often excellent, though sometimes too heavily charged with mineral salts to be available, except for medicinal purposes. For the supply of cities, lakes and rivers must be selected, and, although rivers are the great natural sewers, and receive the drainage of towns and cities, the natural process of purification, in most cases, destroys the offensive bodies derived from sewage, and renders them harmless. In very rare cases will organic matters be derived from swamps and peaty deposits, and except that these bodies may sometimes discolor the water, there is no sanitary objection to them."

ALL WANT THE JOBS.

Republican Bosses Trying to Dictate Truant Officers.

Governor Mount has yet to appoint a member of the state tax board, a state factory inspector, two labor commissioners (one from each party) and five members of the medical registration board. There are also several hundred truant officers to elect and the governor will have to take part in their selection. The new law provides that these officers (not to exceed five in each county) shall be selected by the county or city superintendent, the secretary of the state board of charities and a member of the state board of education. The governor will be asked by the state superintendent to represent the board, in the selection of these men, who receive $2 for each day of actual work. If five from each county are appointed, there will be a total of 460 at $2 per day. The republican politicians throughout the state are trying to dictate the appointment of these officers.

Miss Gertrude Stone, of Butler, Ind., who was the guest of Miss Helen Gilmartin, has gone to Oxford, Ohio, to attend the Westminster seminary.

The Evening Sentinel.
BY E. A. K. HACKETT.

TONIGHT.

Art Exhibition — Keramic Club at Sons of Veterans' hall.
Revival Meeting—At West Jefferson street Church of Christ.
Congregational Meeting—Held at Plymouth Congregational church.
Labor—Friendship Lodge of Machinists; Fort Wayne Mutual Aid association.
Lodges—Fort Wayne Chapter No 19, R. A. M.; Mechecunnochqua Tribe No. 106, I. O. R. M.; Concordia No. 228, I. O. O. F.; Eden No. 1, Adam's Royal Sons; Wayne Castle No. 2, Knights of the Golden Eagle; Liberty Council, Knights and Ladies of Columbia; Columbian Court of Honor; Wayne Council No. 25, Jr. O. U. A. M.

AFTER all, President McKinley is handing out the good offices pretty rapidly.

THE report is given out that the senate finance committee may kill the retroactive clause of the Dingley bill.

THE tariff bill may have more difficulty in getting through the senate than it did in getting through the house.

A HUNTINGTON girl who is beginning to ride a bicycle says the reason she is looking thin is because she has fallen off so much of late.

GREATER NEW YORK will be the second city in the world. Its mayor will serve four years and control a patronage almost equal to that of the president of the United States.

CHAUNCEY M. DEPEW has been a solicitor for office for other men ever since the time of Lincoln and has usually been successful. But when he became a solicitor for himself he failed.

THE result of the municipal elections held yesterday and Monday ought to have a kind of sobering effect on the republicans and remind them that the democrats are not all dead yet.

HAD Colonel Fred Grant and John A. Logan not been the sons of distinguished fathers they would never have been thought of in connection with any conspicuous position under the administration.

THE extra session of the Kentucky legislature is costing the people of that state a matter of $1,000 a day. Their new senator will be an expensive article to the Blue Grass state, whose treasury is almost empty.

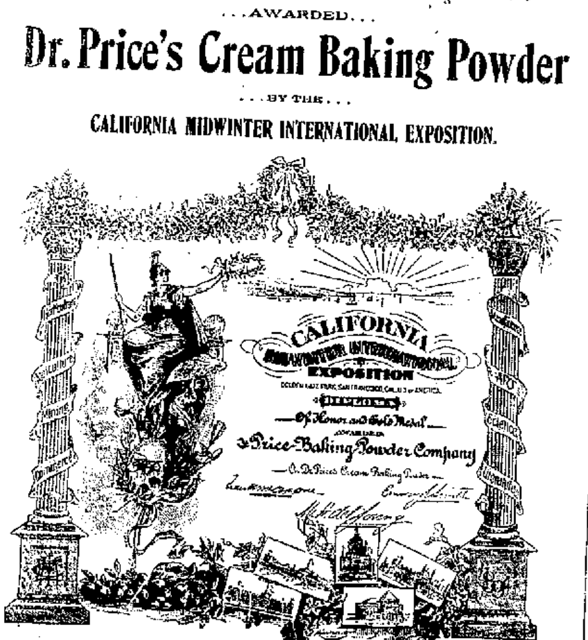

THE end of the "get-poor-quick" business has come and Fort Wayne "investors" are now in position calmly to regret that common sense and honesty were shoved into the background while the attempt to get something for nothing had free range. The so-called "Dean Investment company," with general offices at New York, dealers in stocks, bonds, grain and provisions, are in charge of deputy sheriffs on an attachment. The concern has done an enormous business for some time past, the customers being almost entirely outside of New York.

Special Gold Medal and Diploma
. . . AWARDED . . .

Dr. Price's Cream Baking Powder

. . . BY THE . . .

CALIFORNIA MIDWINTER INTERNATIONAL EXPOSITION.

In singling out Dr. Price's Cream Baking Powder from all its competitors, and bestowing upon it a special Gold Medal, the California Midwinter Fair concurred in the verdict given by the World's Fair jury, which awarded both medal and diploma to Dr. Price's Cream Baking Powder, declaring it superior to every other brand.

The victories won by it at all the great fairs, and its wonderful growth in popular favor, due to its purity, uniformity, wholesomeness, keeping qualities and excellence, have confirmed and emphasized it as

"THE FOREMOST BAKING POWDER IN ALL THE WORLD."

Democracy Won in Chicago.

The democracy certainly achieved a wonderful victory in Chicago yesterday. Carter H. Harrison as their candidate for mayor was elected by a plurality of 77,756 over any one of his competitors and a majority of 2,222 over their combined vote and the entire democratic city ticket was elected by a plurality approximating 9,000. Last fall McKinley had 209,747 votes in the city and Bryan 141,720, a republican plurality of 58,011 and a majority over all other candidates of 52,000. A comparison of the vote of this spring and last fall shows the wonderful revolution that has taken place in that city in a few short months.

The successful candidate for mayor, Mr. Harrison, is thirty-seven years of age and the son of Carter H. Harrison, formerly mayor of Chicago. He never before held an office. He attended law school at Yale and graduated in 1881 and returning shortly after to Chicago he took up the practice of law until 1888, when he entered the real estate business with his brother, William Preston Harrison. He continued in the firm of Harrison Brothers until 1891, when his father secured control of the Chicago Times. He was employed in the Times office as business manager and other capacities until the paper was sold to Adolf Kraus in 1894. Since that time Mr. Harrison has been in the real estate business, except for one year that he spent traveling abroad.

In speaking of the result, Mr. Harrison said to a Chicago reporter:

"It has been a victory of a united and not a divided democracy. Gold as well as silver men cast their ballots for me and registered a protest against republican misrule. The workingmen are with me."

Mr. Harrison owes his election to his popularity among the Germans and the workingmen of foreign descent, and his advocacy of the personal liberty idea, but in reference to this, Mr. Harrison says: "You may rest assured that Chicago runs no danger of being handed over to two years of vice and debauchery. I do not recognize the necessity of public gambling in Chicago, nor have I any intention of reintroducing what the Tribune calls 'the wide open days.'"

Cost of Lighting Cities.

The cost of street lighting in New York city for 1897 will be in excess of $1,250,000. Philadelphia spends even more than does New York for lighting, the total expense being $420,000 for gas and $647,000 this year for electricity. These items collectively do not foot up so much as New York pays, but while New York gets its supply of gas from seven different companies, and its electricity for lighting from ten different companies, Philadelphia owns its own gas plant, and since 1855 has had entire control of it. To the money actually disbursed for gas, therefore, must be added, in the case of Philadelphia, a reasonable interest upon the original investment, and some account must be made of the public property used for the works. Chicago expends in a year $125,000 for gas lamps which illuminate with indistinctness some of her streets, the major portions of which are unpaved roads separated from the buildings which front them by wooden sidewalks resting in the mud. Boston is an American city, which, in proportion to its population and area, makes generous provision for public illumination. Boston spends in a year $290,000 for gas and $270,000 for electric lighting, a total of $560,000, the extent of which may be best understood by comparison with the expenditures for the like purpose in Baltimore, a city of the same population practically, and of about the same area. Baltimore spends in a year $220,000 for gas and $140,000 for electric current. Cincinnati spends in a year $200,000 for gas and $75,000 for electric lighting. San Francisco expends in a year $300,000 for public illumination, both gas and electricity, and St. Louis a like amount. In Pittsburg the advantages of natural gas have been utilized of late years, and the expense for public illumination is one-fourth million dollars. In Brooklyn it is $520,000—$160,000 for gas and $360,000 for electric current. Washington, the local affairs of which are under control of the federal government and subject to acts of congress, spends in a year for electric lighting $175,000. St. Paul, Minn., expends as much and New Orleans $325,000. Two American cities which show a distinct partiality for electricity as a means of public illumination are Denver and Detroit, and there are, practically, no cities which have not utilized to some extent the benefits of electricity. Buffalo expends in a year $300,000 for the purposes of illumination, and as the area of the city is small it should be one of the best lighted of American cities.

PROVOKE DEFINED.

The State Supreme Court Lays Down a Rule.

The state supreme court, in a recent ruling, opinionated as follows: "The 'provoke statute' defines two different and distinct offenses, provocation and an attempt to provoke an assault and battery. Intent is an essential element of either of these offenses. The words 'having the present ability' in this statute mean that the person who is provoked, or whom the defendant attempts to provoke, is free from physical impediment or restraint which might prevent him at the time from striking or attempting to strike the person giving him offense. The mere fact that the prosecuting witness was thirty feet from the defendant when the defendant used the objectionable language does not establish the defendant's innocence of the charge of attempting to provoke an assault."

Master Don White, of 30 Lillie street, is rapidly becoming a master of violin music, under the careful guidance of Professor Houlton, and promises to become a musician of high merit. He possesses wonderful talent for one of his tender years and has treated many of our citizens with his selections at entertainments.

Do Yourself

NOT RIVER WATER.

Council Committee Will Recommend More Wells.

As the Best Means of Increasing the Water Supply of Fort Wayne—Trustees Will be So Instructed.

The council committee on finance and waterworks met together last evening with the very important purpose of preparing a report upon the question of increasing the water supply of Fort Wayne. The result of the meeting was to favor the sinking of more wells, and the project of resorting to St. Joe river water, as suggested, was discouraged.

The waterworks trustees had furnished the committee with a large amount of information in reference to the filtration of river water. This consisted of the opinions of scientists who had given the subject careful consideration and tests made in other cities showing that river water could by proper filtration be made pure and fit for all domestic uses. This information, however, the committee did not examine at all.

It remains for the council to act upon the report and as the members of the joint committees are united in their decision, the impression is that the trustees will be instructed to put down more wells, which they have the full authority to do at any time they wish, and as many as they may need. It is hardly probable that more wells will be sunk in the locality of the present ones as the territory is pretty thoroughly drained. It is supposed that deep wells will be put down in another part of the city. This may necessitate the erection of another pumping plant, at a big expense.

GOOD LOOKERS.

Some of the Fort Wayne Ball Players Arrive.

Club to Play at Terre Haute Next Saturday, Sunday and Monday—Seven Players to Report in a Week.

Four players signed by Manager Cooke have arrived. They are Second Baseman James Delahanty, of Cleveland; Outfielder James McKevitt, who played with the Saginaws last year; Harry Minnehan, the south paw from Bellaire, Ohio, a pitcher who is highly recommended by Chic Stahl, and James Robinson, a Sylvania, Ohio, boy, who is reputed to be an out-of-sight outfielder, runner and left-handed batter. Wayne has been in the city for some time. Dummy Klinn, the first baseman; Jacob Funkhouser, the deaf and dumb third baseman; Thomas Donavan, the Michigan league catcher, and Outfielder Frank King will be here tonight. Catcher Campbell and Pitcher Derrick, of Indianapolis, and Left Handed Pitcher John O'Connell will join the club at Terre Haute, where the Fort Waynes play exhibition games on next Saturday, Sunday and Monday. The rest of the club, consisting of Pitchers Darby, Savers, Lindsey and O'Meara; Catchers Houser and Metcalf, and Third Baseman Haggerty, will not report until the 14th in this city, in time to play in the Cleveland exhibition game on Friday, the 16th, for the benefit of the Y. M. C. A. The players already arrived have the appearance of good ball players, which they undoubtedly are.

STATE NEWS.

The gambling law is being enforced by the new police administration at Muncie.

Ernest Schworin, of Richmond, a brakeman, was killed at Hamilton, Ohio, a train cutting off both legs.

A number of arrests in various parts of the state have resulted from the enforcement of the law by the new state fish commissioner.

Prof. W. E. Diehl, of Jeffersonville, has disappeared, and friends have sent his wife and children to their old home at Hamilton, Ohio.

The Farmers' Co-operative Insurance company, of Boone county, in existence for one year, has suffered a loss of but $5. Its capital stock is $312,000.

The Anderson Telephone company has been given a franchise to operate at Anderson, in opposition to the Bell company. The new company will charge $2 a month for service, as against $3 and $4 by the Bell company.

Edgar Cawley, son of Mr. and Mrs. J. W. Cawley, of Hartford City, has graduated with honors from the Conservatory of Music, Leipsig, Germany. He is the first Indiana student in many years to complete the course.

Several months ago George A. Koons, of Henry county, was bitten on the arm by a horse. The injury failing to heal, it was examined by physicians, who diagnosed the trouble as medullary sarcoma, a species of cancer. The arm was amputated near the shoulder, without relief, the cancer having reappeared on the stump. Mr. Koons' case is said to be hopeless.

TOLD TO SURRENDER.

Court Orders Van Auken to Give Up the Surveyor's Office.

BUTLER, Ind., April 6.—After the election last fall ex-County Surveyor Van Auken refused to turn the office over to his successor, J. H. W. Krontz, and removed the records from the court house. Van Auken claimed that Krontz was nominated by fraud, and that if the votes had been properly counted he would have received the nomination and election. When the case was brought for trial Judge Watkins rendered judgement against Van Auken and ordered him to turn the office and its records over to Krontz, and also dismissed a case in the Steuben county court.

Housebreaker Pleads Guilty.

MUNCIE, Ind., April 7.—Thomas Duffy and Mrs. Martha Hickman, at the head of an organized gang of thugs and housebreakers, who terrorized this city last summer and winter, pleaded guilty—Duffy to robbing the houses and Mrs. Hickman to receiving the stolen goods. Sentence was withheld until the other members of the gang are tried. John Miles, a transient crook, pleaded guilty to robbing the Eagle shoe store and he will be taken to Jeffersonville. He is the first prisoner sentenced in this county under the new law.

LOCAL LINES.

The English club will meet with Miss Georgia Wadge next Saturday.

Mrs. Peter Lauer, of 75 Madison street, is recovering from a severe illness.

There was a good attendance at the meeting of the Apollo society last evening.

The ladies of Bethany church are preparing a program for an entertainment to be given Friday evening.

Mrs. C. L. Fulmer, of 106 Gay street, will entertain the ladies of Calvary U. B. church at ten Thursday afternoon.

Miss Rose Carter, of East Wayne street, is visiting relatives in Decatur, Ind. She was accompanied there by her brother, A. S. Carter, of Grand Rapids, Mich.

John Mischo, manager of the Croppo Colts base ball club, of Broadway, left for Ottawa, Ohio, to make arrangements to have his club play three games next week. He will go to Findlay, Ohio, before returning.

Louis Banet, the ex-saloonkeeper, has been strangely missing for three weeks, and relatives are alarmed over his absence. He was at the home of his sister three weeks ago last Monday and was apparently worried over his affairs. Domestic difficulties and drinking may have driven him to a rash act and investigation will be made.

The soiree musicale given at the Y. M. C. A. hall under the direction of Professor Bona last evening was largely attended and the audience was well repaid for its attention. The participants were S. W. Jennison, Professor Bona, Miss A. Ortlieb, A. Schulte, Miss A. Molloo, W. S. Bash and Mrs. S. C. Moffat. A most excellent program was rendered.

The reception given to Rev. and Mrs. M. C. Cooper last evening at the St. Paul M. E. church was very largely attended. The addresses of welcome were delivered by Mr. J. E. Pike, representing the official board; Miss May Williams, representing the Epworth league, and Mrs. Chas. Pool on behalf of the Ladies' Aid society. The pastor responded in a very happy manner, and then refreshments were served in the lecture room.

A jolly crowd invaded the home of Mr. and Mrs. C. F. Sweeny last evening, the affair being planned as a surprise in honor of Mrs. Sweeny's forty-eighth birthday anniversary. Cards and dancing were the pastimes and the company was also highly entertained by songs rendered by Mrs. Sweeny and Mr. Fredericks. At midnight a splendid luncheon was served. The crowning event of the evening was the presentation of a handsome Rebecca pin to the hostess, who is a prominent member of that order.

During May the Nickel Plate road will inaugurate an improved passenger train schedule of three solid through trains daily. In addition to the through vestibuled sleeping car service between Chicago, Buffalo, New York and Boston, via the West Shore and Fitchburg Railroads, a daily New York sleeper will be placed in service via the D. L. & W. R. R. a1 d26t w4t

Home seekers excursion tickets are on sale, via the Nickel Plate Plate road, April 5th, 6th, 19th and 20th. Rates lower than via other lines. f24w-a16t w9t

Where to go Fishing

Is told in a little booklets issued by the Grand Rapids and Indiana railway. It gives list of trout streams in Northern Michigan and other information of value to sportsmen. It may be had by addressing C. L. LOCKWOOD, G. P. & T. A., tMay1 Grand Rapids, Mich.

Mothers, Be sure and use "Mrs. Winslow's Soothing Syrup" for your children while cutting teeth. It is the best remedy of all. May8eod&w

The movement of farmers and people seeking new homes in the beautiful Sunny South still continues and is growing.

Low rate excursions will be run by the Mobile and Ohio railroad from ticket stations St. Louis, Mo., to Cairo, Ill., inclusive, to points in Tennessee, Mississippi and Alabama on February 2d and 16th, March 2d and 16th, April 6th and 20th, May 4th and 18th, 1897. The rate will be one fare plus $2.00, the one fare to be collected at starting point, and the $2.00 at destination or last stopping place returning.

Trains leave St. Louis Union Station at 7:32 a. m. and 7:35 p. m.

A "Home-seekers' Guide" and any information regarding land will be furnished free on application to the Alabama Land and Development company, Mobile, Ala.

If any information is desired regarding tickets, ticket rates, time, etc., it will be furnished promptly on application to W. B. Rowland, General Agent, 215 N. Fourth street, St. Louis, Mo.; C. Rudolph, D. P. A., room 320, Marquette building, Chicago, Ill.; W. H. Harrison, jr., D. P. A., 220 Fourth street, Des Moines, Iowa; M. H. Bohreer, D. P. A., 7 West Fort street, Detroit, Mich.; F. L. Harris, Passenger Agent, 10 Sixth street, Cairo, Ill., or E. E. Posey, General Passenger Agent, Mobile, Ala. Jan26,m,w,s-tf

Homeseekers excursion tickets are offered via Nickel Plate road to the west, northwest and southwest, April 5th, 6th, 19th and 20th. f24w-a16t w9t

Fish in the Northern Lakes.

LAPORTE, Ind., April 7.—The Goshen Rod and Gun club is taking steps to enforce the new law for the protection of fish in the hundreds of lakes scattered through northern Indiana. The appointment of a deputy warden will be recommended in each county, who will enforce the law without fear or favor. The lakes to which particular attention will be given are Syracuse, Wawasee and Tippecanoe, which are favorite fishing grounds of Indianapolis pleasure seekers.

A LETTER TO WOMEN

From Mrs. James Corrigan.

For seventeen years I have suffered. Periods were so very painful that I would have to go to the doctor every month.

He said that I had an enlargement of the womb, and told my husband that I must undergo an operation, as I had tumors in the womb, and it was a case of life or death.

I was operated upon twice, but it did not seem to do me any good, it made me very weak. I was troubled with the leucorrhœa a great deal.

I also suffered with the sick headache, vomiting spells, backache all the time, terrible pain in my left side, chills, loss of appetite, and could not sleep nights. After taking several bottles of Lydia E. Pinkham's Vegetable Compound, some Liver Pills, and using your Sanative Wash, I recovered.

I can eat well, and every one that sees me tells me I am a different person. I can do all my own work, sleep well and feel well. I am growing stronger every day, and am able to go out and enjoy a walk and not feel all tired out when I return, as I used to. I doctored for sixteen years, and in all those years I did not feel as well as I do at the present time. I wish that every woman that is troubled as I was, would try that medicine. Oh! it is so good to feel well, and it is all owing to Mrs. Pinkham's kind advice and medicine. —MRS. JAMES CORRIGAN, 204 Center St., Jamaica Plain, Mass.

How Are Your Kidneys?
Ever Have Your Back Ache?

Dr. Hobbs Sparagus Kidney Pills make Healthy Kidneys and the Back Strong.

PRESIDENT LAMONT.

A Late Cabinet Official Gets Into Railroading.

Has Been Elected to the Highest Office of the Northern Pacific Railway Company.

It is stated on high authority that Colonel Daniel S. Lamont has been decided upon as president of the Northern Pacific railroad and that the appointment will be announced within a week. Edward W. Winter, who was formerly connected with the Chicago and Northwestern, has been president since J. P. Morgan & Co. undertook the reorganization of the Northern Pacific.

The appointment of Colonel Lamont as head of this system is understood to have been brought about largely by President James J. Hill, of the Great Northern, and it is but additional evidence of the close compact that is forming between the two great railroads. The alliance is now being perfected in London by J. P. Morgan, James J. Hill and Dr. Simmons, of the Deutsche bank, the last named being the largest individual holder of the bonds of the Northern Pacific railroad.

The Deutsche bank was strongly in favor of a consolidation of the two railroads, but this was prohibited by the laws of the several states through which the systems passed, and when the matter was first suggested a storm of opposition was stirred up in the northwest which rendered it impracticable.

The course that is to be pursued, it is understood, is to form a close traffic alliance, with uniform rates and economic operations, which will in a measure answer the same purpose as consolidation. There will be no more cutting of rates. In fact, it is not unlikely that rates will be a trifle higher than at present. It is probable that joint agencies will be established in many of the eastern cities, but this feature of the plan has not yet been worked out.

There are signs that the proposed combination will include also the Canadian Pacific, but this has not yet been settled. Certain prominent Englishmen are interested in both the Great Northern and Canadian Pacific roads. This would permit an interchange of traffic that would be mutually beneficial.

The Canadian Pacific has the advantage of the other companies east of St. Paul, since it reaches the Atlantic sea board and taps several large eastern cities. The Great Northern and Northern Pacific on the other hand reaches some important Pacific coast points in the northwest, in which the Canadian Pacific is shut out. The coming alliance, whether it is between the three companies or simply between the North Pacific and Great Northern, will enable the curtailment of the steamship service on the Pacific coast and the abolishment of the rate wars which for a long time have been in existence between the steamboat companies, resulting in losses all around.

TAKES ON BOOM.

Dr. J. M. Kells, medical examiner at Columbus, Ohio, for the Pennsylvania Voluntary Relief association, arrived in the city last evening and will remain here three or four days. Dr. E. F. Wagner, the local examiner, called for temporary assistance and Dr. Kells, wishing to spend a few days with his old friends in Fort Wayne, responded to the call, leaving his own office in charge of an assistant. Never in the history of the local branch of the relief department has there been such a large number of applications for membership within a short period as has characterized the past two weeks. Dr. Wagner was unable to perform the duties of the office unaided, hence his request for assistance. Today there were seventy-seven men, all employed at the old shops on Barr and Lafayette streets, examined, and tomorrow a greater number will be examined at the east car shops. The two succeeding days will be devoted to examining section men and others not connected with the shop force. It is estimated that the membership roll in Dr. Wagner's district will have received over 200 new names by next Saturday. Nothing like this boom has ever occurred here before and Dr. Wagner is to be congratulated upon the splendid record he has established.

NEW STYLE VENTILATOR.

A large ventilator, constructed of galvanized iron and upon entirely new plans, will soon be placed in position in the roof over the rooms occupied by Master Mechanic B. Fitzpatrick and his force of clerks. This ventilator is funnel shaped, with the small end closed, and on top of it is a rudder which operates like a weather vane, keeping the large or opened end of the ventilator pointing in the direction in which the wind is traveling. A damper near the top of the pipe, leading from the rooms to the funnel, is so arranged that it can be opened or closed from the rooms beneath.

DISPOSED OF MACHINERY.

The Bass Foundry and Machine works was last evening notified that it had been awarded the contract to construct the engine, boilers, fixtures and trimmings for a complete steam plant, the order coming from the Hunter Milling company, Wellington, Kansas. The engine will be an 175 horse power Corliss, of the Bass improved type, and there will be two 125 horse power boilers. Work upon the engine and boilers will be commenced at once.

MAY START UP THE WORKS.

Col. D. N. Foster, who received a $10,000 contract from Winona assembly to equip a number of bedrooms, is considering the advisability of manufacturing the beds at the works on East Columbia street. If he concludes to do so a force of workmen will be set to work and kept steadily at it until the task is completed. It is hoped Colonel Foster may decide to do this, thus giving employment to the many idle men who formerly engaged in such work. Mr. Foster is now in Warsaw.

BRIEF MENTION.

John Green, the colored janitor at the electric works, is very sick.

Pittsburg Engineer Wm. Tourgee is off duty on account of sickness.

Pittsburg coach 88 went into the shops yesterday for an overhauling.

Trainmaster C. E. Wells, of the Wabash, was in the city last evening.

After an illness Yard Engineer J. Grable has reported at the Pittsburg for duty.

William Donnell has returned to his work in the electric works after a brief illness.

W. Dexter, a Pittsburg fireman who had been on the sick list, has reported for duty.

The semi-annual inspection of watchmen on the Grand Rapids road is now in progress.

George Burchard, of the machine department of the Pittsburg car shops, is off duty on account of sickness.

C. E. Stump has been employed as a brakeman on the Nickel Plate road.

Pittsburg Fireman A. M. Slagor, is off duty on account of a death in his brother's family.

Pittsburg engine No. 283, from the eastern division, is in the Fort Wayne shops for repairs.

Private business kept Anton Fisher from his work in the Pittsburg blacksmith shop today.

The outlay on account of the Joint Traffic association for 1896, it is stated, was fully $750,000.

After an illness of two weeks, Machinist G. Koorson is on duty again in the Pittsburg shops.

H. G. Phillips resumed his place in the Pittsburg lumber yards this morning. He had a finger crushed two weeks ago.

Charles Zeigler, a Nickel Plate local freight conductor, is taking a few days off duty and his train is in charge of Conductor A. E. Urbahns.

East-bound shipments from Chicago last week were 62,821 tons, against 67,081 for the preceding week, and 82,094 for the corresponding week of last year.

The Jacksonville, Tampa and Key West railroad was offered for sale at Jacksonville, Fla., by Special Master Eagan yesterday, but there was no bidder and the sale was again postponed.

Nickel Plate engine 20 is out of the shops looking like a new locomotive. She will haul freight on the Third district in charge of Engineer George Cooper and Fireman W. A. Brumfield.

Traveling freight agents predict that as soon as the country roads become good there will be largely increased shipments of corn over all the railroad lines, as well as by the lake and water routes.

Roundhouse Clerk Theodore Bohler, of the Pittsburg, is spending a few days with friends and relatives at Grand Rapids. During his absence William H. Bryant is attending to the clerical duties.

One of the new class engines on the Pennsylvania last week hauled the Atlantic express, a train of twelve cars, most of them Pullman cars, 132 miles in 152 minutes. No stop was made, the engine taking water from the track tanks.

On April 2nd John M. Sawtell completed his fiftieth year in the service of the Fitchburg railroad, he commencing as messenger boy. The last few years he has had charge of the oiling houses on the line, being too old to do arduous train service.

The Merchants' Dispatch Transportation company has decided to erect its shops at Penfield, a little distance from Rochester, N. Y., instead of at Depew, and the contract was let last week for the new buildings, which will cost $118,210. The buildings will cover twelve acres of ground.

The Baltimore and Ohio last Saturday received the last of ten lighters it ordered built about a year ago to ply in New York harbor. Each lighter is eighty feet long, twenty-eight feet beam and eight feet deep. All are covered. Each boat is fitted up with derricks which will hoist four tons.

So large a per cent. of the Pullman equipment is in use on the Pennsylvania and the Baltimore and Ohio lines that the Pullman company has under contemplation erecting shops at Pittsburg in which to repair the cars used on these lines, it being a more convenient point than Chicago.

Expressions of sorrow and sympathy were heard at the Pittsburg round house this morning after the news of the bereavement which has fallen to the lot of Engineer William Slagle had been received there. One of his children died from diphtheria, the particulars of which are given in the local department.

It is believed that steel cars will now come into more general use, as the reduction in the price of steel enables their construction at about the same cost as wooden cars. Railway managers will watch with more than ordinary interest the results of the experiment of the Pittsburg and Lake Erie, which is building 300 cars of steel for coal and ore traffic.

A system of ticket stealing has been going on at the ticket office of the Lackawanna road at Elmira, which has for months puzzled the officials of the company. Last week it was traced to the caller for the station. The policy of the caller was to stamp the tickets at the office, before taking them to erase the date figure, so that the exact date of the ticket taken would not be known, and the conductors on the trains generally overlooked the discrepancy.

The Bulgarian government has advertised for proposals for building eighty-two miles of railroad from Roustchouk to Tirnovo. United States Consul Stephan, at Annaberg, reports the fact to the state department together with the information that a deposit of 530,000 francs in the Sophia National bank is required as security and that full plans, etc., can be obtained by American bidders for twenty francs upon application to the ministry of public works.

A number of traveling passenger agents were in the city yesterday, hustling business for their respective lines. Following is a list of the gentlemen: F. T. Hendry, of Detroit, general agent of the Santa Fe; Charles C. Merrill, of Chicago, representing the New York Central; J. H. Snow, of Louisville, agent of the Mexican Central; E. L. Frary, of Chicago, traveling representative of the Lake Michigan and Lake Superior Transportation company; L. W. Landman, of Columbus, agent of the Hocking Valley, and A. J. Ratcliffe, of Indianapolis, who represents the Union Pacific.

THE WHEREWITH.

She—Why don yo' teck music lessons?
He—Cause I can't git de do.

THE STYLES.

Spring is here--time to lay aside Winter Garments and prepare for warmer weather. Therefore if you are interested in a New Suit, New Trousers or a new Spring Overcoat, these few suggestions may not be out of place.

For general wear, the business and the office suit, the suit for the shop or the road should be an indistinct plaid or check. We carry an immense line of these suits at $5, 6.00, 7.00, 8.00, 9.00, 10.00, 11.00, 12.00, 13.00, 14.00, 15.00, 16.00, 17.00, 18.00, 19.00, 20.00.

For dress the style is Black Clay Suits in Sack or frock Coats, $7.50, 10.00, 12.00, 15.00, 18.00 and 20.00.

The Spring Overcoat that is the go is a light colored Worsted. We have a fine line at $8.00, 10, 12 and 14.

In Trousers it is the small stripe, these range in prices from $2.50 to $6.50.

CHILDREN'S CLOTHING.

For the small little ones from 3 to 6 years of age the junior suit made open in front so as to show the waist will be worn almost exclusively. We have them from $1 to $5.

For the older boys from 6 to 8 years the reefer coat suits and for the boys from 8 to 15 years short trouser suits will be worn, with the double breasted coat. Prices in these suits from $1.50 to $6.50.

CATARRH

Can Be and Positively is Cured

By the Use of Hirons' Double Treatment —Asthma Succumbs to It.

Read the Testimonials of Sufferers Who Have Been Cured.

Lung Fever, Bronchitis, Bad Coughs and Colds, Forerunners of Consumption, Cured.

Catarrh, one of the most troublesome and dangerous diseases known to mankind, can in the large majority of cases, be permanently cured. Many who were victims to that disease have been cured, and many more are being cured. Double treatment for Catarrh does its work effectually; clearing it out of the head, driving it out of the blood, where it exists, and ever will exist, unless the health destroying virus is eradicated from the system. Cure it. For it is not only a constant discomfort, but a perpetual menace to life. Use the New Asthma and Cough Cure as the blood purifier, and the Speedy Catarrh Cure for the nasal treatment for Catarrh, and soon those troublesome and distressing symptoms will disappear. The constant dripping of the mucous into the throat, and the pain in the head will cease. The hearing, sight, smell, and taste will be restored. Remember that a disease of long standing, one that has grown until it permeates every drop of blood in the body, cannot be cured within a few days or weeks, though the cleansing and healing processes begin with the first use of the two medicines.

If there be soreness in the nose, use glycerine or vaseline after using the nasal treatment.

HAY FEVER.

Hay Fever, or Hay Asthma as it is often called, is a combination of Bronchial and Nasal affections. The immediate cause and source of irritation being of external origin, attacking individuals during the months of May, June and August. The pollen of hay, dried grasses and rag-weed comes in contact with the nasal and bronchial membranes, involving all the air passages, causing immediate irritation, frequently disabling persons afflicted therewith. The great discomfort and suffering, say nothing of the the loss of life caused by this terrible disease, may be avoided by using Hirons' Double Treatment, which is a sure, safe and permanent cure. Commence using the medicine at once, and get your system in condition to resist the effect of these agencies upon the mucous membrane, thereby keeping the tissues in a healthy condition.

HIRONS' VEGETONE!

Vegetone, the great spring tonic, is purely vegetable in its composition. It is a reliable and permanent cure for diseases of the liver and kidneys, constipation, chills, malarial fever, loss of appetite, and a sure and effectual cure for headache and dyspepsia.

Vegetone acts by giving tone to the stomach, strengthening the liver and kidneys, and assists these most important organs in throwing off the impurities in the blood. Every person, in the spring of the year, needs a good, safe tonic for the replenishing of the system after a winter of inactivity, and Vegetone will produce the desired effects, being purely vegetable and a mild, pleasant laxative, thus throwing off the bile from the stomach, producing new vigor.

Cured of Catarrh.

The Hirons Medicine Co.:

DEAR SIRS:—I am twenty-eight years old, had Catarrh all my life. For years my appetite was bad. I could not sleep well. I was becoming deaf. The disease in my head became so bad that one could hear the air escape from my ear. To sum it all up, the disease was killing me by inches. I heard of your double treatment for Catarrh and began the use of the medicine at once. After using eight bottles of your remedies, I am happy to say, that I have a good appetite, I sleep well, my deafness is cured, and I have gained sixteen and one-half pounds in four months. I advise every one who has Catarrh to give your medicine a trial.

EMMA CAMPBELL,
47 John Street.

The Hirons Medicine Co., Fort Wayne, Ind.

GENTLEMEN:—Your Mr. A. R. Hirons persuaded me to give your Double Treatment for catarrh a trial, and after having used it about 30 days, I can honestly say that the results have been very satisfactory. I have been a sufferer from the disease since childhood, and was so bad at times that the membrane would bleed constantly. By the use of your medicine I have stopped the bleeding, my head is greatly relieved, and I have no more difficulty with my breathing. Yours truly,

CHARLES D. TILLO.

Had Asthma for Twenty Years.

The Hirons Medicine Co.

Dear Sirs:—I had Asthma for twenty years. I treated with physicians in St. Louis and in other cities, and have used many remedies, but never received any relief whatever until I commenced the use of your New Asthma and Cough Cure. Before I had used one bottle I received great relief, and after having used four bottles I am entirely cured. I am happy to recommend your remedy to all who are suffering from Asthma. May the Lord bless you and your wonderful medicine.

(Signed) MARY HUFFORD,
Mulvane, Kansas.

Price, $1.00 per bottle. Six bottles for $5.00.

WASHINGTON, April 7.—For Indiana: Partly cloudy tonight and Thursday, with showers in south portion Thursday; variable winds, shifting to easterly.

NEWS NOTES.

Louis Cordes is at Van Wert today.

Rev. Harrick, of Muncie, is visiting relatives in this city.

Mrs. Conrad Neitroiter has returned from a visit in the east.

Levi Jacobs has returned to Van Wert after spending a few days in the city.

Harry Hudgel, of Columbus, O., is the guest of Dan Hudgel, of West Jefferson street.

The Ninety-seven Embroidery club met yesterday afternoon with Miss Mina Beebe.

W. G. Coss, representing the Hammer Dry Plate company, of St. Louis, is in the city.

Father O'Leary Council, No. 327, C. B. L. will have a banquet on Easter Monday evening.

Mrs. Ida Tinkham and children, of Warsaw, are visiting Mr. and Mrs. Tinkham, of Home avenue.

Born to Mr. and Mrs. Ed Perry, of East Jefferson street—a son. Mr. Perry is the Calhoun street photographer.

Mrs. Herbert Dean and Mrs. Fred McBride, of Bluffton, were guests yesterday of Miss Hattie Dean, of 43 First street.

Dr. Samm, a lady physician, has moved to this city from Grand Rapids and has apartments in the Pixley-Long block.

The luther league of the Trinity English Lutheran church will give a social and supper in the church parlors on Friday evening.

Louis Cordes has sold to the Allen County Loan and Saving association a house and lot at No. 155 East Creighton avenue for $2,000.

Ed Goske, who has been detained from work by reason of an injured hand, was able to resume his duties on the court house at Greenfield, Ind., today.

The nine year old daughter of Mr. and Mrs. Michael Hausbach was operated on for a broken nose by Dr. Bulson, yesterday. The injury was caused by a fall.

Dr. A. E. Bulson and Dr. K. K. Wheelock will leave this evening for St. Louis to attend a meeting of eye and ear specialists. Dr. Bulson will read a paper. They will return Saturday morning.

An election of officers of the Third Presbyterian Sunday school was held with the following result: Superintendent, C. W. Boshler; first assistant superintendent, O. B. Fitch; second assistant superintendent, Mary Christie; secretary, I. Sunday.

Mr. and Mrs. John Walt are now at home at the New Aveline.

Miss Swope, of Westminster seminary, has returned from a visit at Chicago.

Much interest is centered in the concert at Westminster church next Friday evening.

Miss Edith Yarnelle entertained the members of the basket ball team at dinner last evening.

An excellent program is being prepared for the Morning Musical next Friday morning.

E. B. McDonald, wholesale carriage and harness dealer of Lagrange, is in the city on business.

Dr. A. J. Boswell has been summoned to Marion, Ind., to perform an operation for appendicitis.

Mr. and Mrs. Theodore Seemeyer will soon be at home at the corner of Calhoun and DeWald streets.

E. T. Lane, of Chicago, is the guest of his brother, C. H. Lane, who is interested in the Gazette deal.

Arthur Bowman, of Decatur, Ind., has taken a position with F. C. Moore, proprietor of the Palace meat market.

Gotlieb Haller has sold to Michael Worley a house and lot on Hoffman street, and the buyer will make his residence there.

Mrs. Adam Lighthiser and children, of Napoleon, Ohio, are visiting Mr. and Mrs. H. C. Crosby, of 131 East DeWald street.

A missionary tea was given by the ladies of the First Presbyterian church this afternoon. Supper will be served to the gentlemen at 6 o'clock.

The farm residence of Conrad Gallmeier, a pioneer resident of Adams county, who lives near the Allen county line, was burned to the ground Sunday.

The N. E. club very pleasantly entertained a party of friends from Logansport last evening, at 43 Baker street. Luncheon was served and the company spent the evening in singing and dancing.

The Degnon Construction company, of Cleveland, which built the Robinson park railway, has shipped all of the equipment for road building to Willow Station, Ohio, where it has an extensive contract.

President G. W. Beers, of the Home Telephone company, has computed that the company has a mileage of pole line outside of the city of 908 miles. It requires 2,500 miles of wire to fit up this outside service.

Rev. T. J. Johnson, the new pastor of Simpson M. E. church, delivered his first sermon in this city to a highly pleased congregation. All who heard him were favorably impressed with his earnestness and forcible manner of speech.

A district convention of the Walther league will be held in this city on Sunday, April 25th. This district comprises the leagues of northern Indiana and a large attendance is expected. The meetings will be held at the Zion's Lutheran school hall.

Mrs. Fred Roth and daughter, Carrie, will leave tomorrow for an extended European trip. Previous to embarking for the voyage across the water, they will visit the eastern cities. They will travel through Germany, France, Switzerland and England and will be absent several months.

Mont Orff has accepted a position as advance agent for Oscar Lott's tented exhibition which will start out from this city on its summer tour on May 1st. The show will go to Bucyrus, Ohio, for the first stand; from thence to other good show towns lying on the route to the oil fields of Pennsylvania.

Rev. J. V. Updike has returned from his evangelistic labors at Toledo. His stay at home will be brief as he will leave tomorrow for Waco, Texas, to open a series of meetings. He will go thence to other cities in the southwest, remaining away from home about two months. Rev. Updike has held meetings in thirty-four states.

The Keramic Art club will give an exhibition of China painting at Sons of Columbus hall, beginning this evening. The members of the society are Mesdames E. L. Siver, Robert Millard, R. C. Bell, M. E. Hanna, C. M. Dawson, Ernest Lloyd, William Hahn, W. P. Cooper, E. T. Williams, O. H. Larwill, F. J. Greer, W. W. Olmstead, H. J. Meyer, Frances Baldwin, John, George and Oliver Evans, J. A. Stitz August Crull, Mrs. Griffith, Mrs Sumeyer, Miss Johnson and Miss Whitridge.

The congregation of the Third Presbyterian church has decided to dispose of their church property at the corner of Calhoun and Holman streets, and the trustees are open to bids for the same. C. W. Boshler has been appointed chairman of the committee having the matter in charge. It is the intention of the congregation to move farther south, a site somewhere between Masterson street and Creighton avenue, off of Calhoun street, being considered desirable. The old property is situated where it is more valuable as a site for a business house than for church purposes. As soon as the sale is made work will be commenced on a handsome and substantial new church home.

Mrs. R. P. Sharp, of 176 West Superior street, is very ill.

Attorney James C. Branyan, of Huntington, is in the city.

Architect Alfred Grindle has returned from a business trip.

B. M. Cobb and S. T. Cast, of Huntington, are in the city.

H. A. Wickham, advance agent of "McSorley's Twins," is at the Wayne.

Mrs. Clara Leonard and daughter, Kate, left today for Chicago to visit Will Leonard.

Edward Struchen, of 14 Brandriff street, celebrated his thirtieth birthday last Monday.

Miss Campbell, who has been visiting Mrs. Ella Nutting, has returned to Chicago.

Jacob and Henry Colter, of Arcola, are registered at the Wayne. They are here on lumber business.

There will be a meeting of the stockholders of the Home Telephone company tonight at the office of Mr. Beerf.

The difficulties which beset the Y. W. C. A. in building their gymnasium have been overcome and the work is again in progress.

The Ladies' Aid society of Calvary U. B. church will be entertained tomorrow afternoon by Mrs. C. L. Fulmore, of 106 Gay street.

A meeting of sportsmen will be held at Sportsmen's Emporium, 66 East Main street, next Friday evening, to organize a new gun club.

The Woman's Foreign Missionary society of the Simpson M. E. church will hold their monthly meeting at the home of Mrs. Wright, 132 West DeWald street, Thursday afternoon at 2:30 o'clock.

The following officers of St. John's Lutheran church have been elected: Elders, Louis P. Huser and George Motz; deacon, William Noeb; trustees, Henry Stellhorn, William Bittler and Ben Gutermuth.

Dr. J. S. McCurdy attended the graduating exercises of the Indiana Dental college at Indianapolis last evening and returned home today, accompanied by his little daughter, Lucile, who has been visiting her grand parents the past few months.

Through the kindly interest of Abe Weil, the remains of Henry Myer have been laid to rest in Lindenwood cemetery. Had it not been for Mr. Weil's voluntary services in the matter, the body would have been turned over to the medical college, as no other friends appeared. The deceased was for many years a driver for Weil Bros.

A report by no means authentic has reached this city that James McCullom and family met death by drowning somewhere in Tennessee, last week. Mr. McCullom formerly lived in Wells county, where he served two years as township trustee. Later he moved to this city and lived here a short time, then moved south. The report comes from Ossian, and is not credited.

Perhaps no one has ever so and deny not the world alone with the phenomenal nature of her talent as that accomplished, supernaturally endowed Californian, Miss Ellen Beach Yaw, who sings in this city next Wednesday evening. There is no excess of zeal in accounting her, what the world is fast acknowledging it to be, the most astounding soprano voice in history. America must take pride in this young woman's marvelous leap to the fame now heartily accorded her.

Frank Kopinger has returned from a business trip to Napoleon, Ohio.

S. F. Bowser and his private secretary, J. W. Wells, are fishing today at Rome City.

The Tippecanoe club will have an important meeting this evening, beginning at 8 o'clock.

R. T. McDonald and Private Secretary C. C. Gould will leave in a few days for New York. James A. Gould will accompany them.

KOUMISS is a sparkling beverage prepared from pure sweet milk, possessing greater nourishing, strengthening and blood producing powers than any other kind of food. It is held in high estimation by the physician of all schools, as a reliable remedy for dyspepsia, feeble or imperfect digestion, nausea, vomiting, and general debility. Too much cannot be said in praise of this peerless beverage. It gives nourishment to the weakened invalid without taxing digestion.

PATTERSON'S.

While the Weather Is Cool

You think you won't buy any clothes this spring, perhaps---the times are hard.

The first warm day you don't feel quite well, you bear it. The weather gets ahead of you.

May be you even think of a tonic, "spring medicine."

Clothes are better than medicine; clothes are cheaper than doctors.

Get out your old ones early and look at 'em. You can wear 'em in rainy weather; but can you afford it the rest of the time?

All Kinds of Clothes For All Kinds of Folks.

If our prices are lower, that is all you care about......

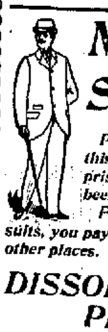

A Jury of Ladies

Have passed judgement upon our Great Dissolution Sale, and their verdict is, that nothing like it has ever been attempted in Fort Wayne. Before we were willing to publish this verdict, we had them all come here and make close and careful inspection. They examined the goods, compared prices with what others charge for same grade of merchandise, and unanimously agreed that a saving of from 25 per cent. to 50 per cent. was positively effected, by buying goods at this grandly successful sale.

FURNISHING GOODS DEPARTMENT!

Is full of things interesting to all our gentlemen friends. The dissolution prices prevail here and you can buy shirts, collars, cuffs, neckwear, etc., for less money, and get better value than has ever before been possible.

Men's Suits.

Prices we have made in this department have surprised people who have been here.

Finely fitting, well made suits, you pay $7.00, $8.00, $9.00 at other places.

DISSOLUTION PRICE $4.75.

Then that line at $12, $15, $18 has interested hundreds of men the past two weeks, so has the

Dissolution Price Which IS $7.50.

Boys' Suits.

Little suits for little men, small prices but big values.

Suits for boys 13 to 19, worth $5 and $6, $3.48.

Suits worth $6.50 to $7.50, at this sale, $3.85.

A lot of $1.00 Boys' Hats for 48c.

Confirmation Suits.

Our line is always larger and better than any in town; prices much lower.

Children's Department.

Rare bargains here. If your boy is twins the cost is just the same as though he wasn't. Two suits for the price of one.

Suits worth $1.50 to $2.00, FOR 98c.

Suits worth $2.50 to $3.00, FOR $1.38.

Suits worth $5, $6, $7, FOR $3.50.

KNEE PANTS.

Formerly 35c, NOW 18c.

Formerly 50 and 75c, NOW 38c.
